

Wildlife Habitat – 200 words

The award-winning Wildlife Habitat, located in Port Douglas, provides visitors with a chance to experience the wildlife of Wetlands, Rainforest, Savannah and Woodlands environments in an open and interactive setting.

Start your day with a sumptuous *Breakfast with the Birds* or stop for a break and enjoy hot and cold drinks, morning tea, lunch or a quick snack in the *Curlew Café* throughout the day.

Explore the *Rainforest Habitat* from forest floor to canopy, as you make your way along the boardwalks and admire the wildlife that call this environment home, including the southern cassowary.

Savannah Habitat offers you the opportunity to hand-feed kangaroos and wallabies, as well as admire emus and the Lumholtz's Tree Kangaroo.

Dive into the aquatic territory of the mighty Estuarine Crocodile at the popular, CrocArena. This off-the-scale *Swim with The Salties* experience is the only one of its kind in Queensland and allows guests to swim eye-to-teeth with these terrifying apex predators and live to tell the tale!

Our *Swim with The Salties* crocs, Big Al and Ton – fresh from Australia Zoo, are not for the faint-hearted. With the bigger of the two crocs at a size of just over 4.3 metres long, weighing in at nearly 400 kilograms, these boys are a sight to behold!

Join a guided tour with one of our experienced Wildlife Keepers to learn more about the wildlife inhabiting the park. You can cuddle a Koala, small crocodile or snake, and get a photo to remember the occasion.
